- 1 The minimum rental fee is 18,00 € per unit plus VAT. If you decide to switch from rental to purchasing, 80 % of the rental fee is credited to the purchase price.
- 2 The sensor plates for **LISA TOUCH/AREA-Protect** are manufactured in accordance with the structure of object. Please see the purchase price list below for further information on purchase prices. Rental is not possible.
- 3 Depending on the object that is to be secured, it may be necessary to individually adjust the **LISA** – security technology. All sales prices stated herein are non-binding suggested price indications for the securing of one zone (area). Costs resulting from sensor plates and possible additional equipment, such as radar sensor, audio playback devices etc., are not included. We will be pleased to advise you personally and comprehensively.

Purchase price list sensor plates for LISA TOUCH-Protect and LISA AREA-Protect (unit price excluding VAT)

	Sensor plate per m ²	Sensor cable per m ¹	One-off costs for buliding
LISA Sensor plate, hard Material Dibond, th. 3 mm, no function at rear for walls in galleries, soldered connecting terminals, drills for screw joints for walls and floors, resistant to being trampled, non-nailable and non-flexible.	53,90 €	4,00 €	50,00 € ²
LISA Sensor plate, flexible Material plastic copper-coated, th. approx. 2,5 mm, no function at rear for walls in galleries, connection cable directly soldered, drills for screw joints for walls, resistant to being trampled, flexible and non-nailable.	98,80 €	4,00 €	50,00 € ²
LISA Sensor plate, nailable Material plastic copper-coated, one-sided wire mesh, th. approx. 4-5 mm, no function at rear for walls in galleries, drills for screw joints for walls, flexible and nailable.	85,20 €	4,00 €	60,00 € ²

Sample calculation for security system:

A sensor plate of 40 x 60 cm including 3 meter connection cable

Calculation:

0,4 m x 0,6 m = 0,24 m²
0,24 m² x 53,90 € = **12,94 €** (Price sensor plate)

3 m x 4,00 € = **12,00 €** (Price sensor cable)

plus **50,00 €** (One-off costs for buliding)

Total: 74,94 € + lease costs for LISA TOUCH-Protect

- 1 Minimum length of connection cable: 1 meter. Maximum length of connection cable 15 meter.
- 2 In case of oversize, we reserve the right to split the sensor plates after previous consultation with the customer. Upon request, we will notify you on the resulting deviating costs.
